Method

Take a green banana or a plantain, cut it with a vegetable peeler and make strips of 2mm each. Fry them at 250° C in extra virgin olive oil.

Boil the asparagus in salted water.

Sear the radicchio briefly on a grill.

Sauté the baby squid in a frying pan with the garlic and chili pepper, add the anchovy fillet to give a boost to the dish. Once cooked, compose the dish: put the asparagus on a plate, place the squid on top and the seared radicchio and dress with a few drops of balsamic vinegar and extra virgin olive oil. Enjoy!
